The first stepping stone to equality in education is the curriculum. This authoritative book tells how to achieve it subject by subject, tackling head-on the underlying great debates on equality, inclusion, citizenship ... Equality in the Secondary School: Promoting Good Practice ... Regarding educational equality, it has been proposed that the size of the post-secondary sector positively correlates with educational equality since in
countries with higher post-secondary participation rates the access to secondary education is more likely to be saturated, in which case inequalities at that level can be expected to decrease (Raftery and Hout 1993). The size of the post-secondary sector is also a prime example of an institutional characteristic that intersects with … Equality and Quality in Education. A Comparative Study of … Gender equality through school: providing a safe and inclusive learning environment. Boys and girls
must feel welcome in a safe and secure learning environment.
