history of the term and its practice, and embraces a broad, practical definition. Strategic Communication by Christopher Paul - Praeger ... While what strategic communication is remains unclear to many, what is clear is that perceptions and understandings of images, policies, and actions matter, that the success of many policies is contingent on the support they receive from various populations (both foreign and domestic), and that perceptions are influenced both by what you do and what
you say. Strategic communication: origins, concepts, and current ... Introduction. Strategic communication is an umbrella term to describe the activities of disciplines including public relations, management communication, and advertising. However, strategic communication is also increasingly recognized as a developing subfield within communication. As such, it explores the capacity of all organizations—not only corporations, but also not-for-profit organizations (including advocacy and
Strategic Communication Theory and Practice: The goal of strategic communication or public diplomacy is influence, and those who hold that the goal is just to inform, without influencing. This is a false dichotomy. Support RAND For More Information
